Adrian Lewis is a senior associate in our Insurance & Health team and is based in the Brisbane office. Adrian has more than 18 years' experience as an insurance lawyer and has specialised in financial lines for the majority of his career, acting for local and international insurers, as well as a variety of insured professionals.

Adrian's extensive professional indemnity experience includes defending claims against a range of professionals and directors and officers and providing advice on coverage, liability, and claim strategy. Adrian is also experienced in:

- Defamation claims;
- Defending claims by former employees against their employers alleging unfair / wrongful dismissal or contraventions of general protections provisions of the *Fair Work Act 2009* (Cth); and
