At BN, Amy specialises in:

- Coronial inquiries
- Commercial litigation
- Health law

"Due to the nature of my practice, I have the opportunity to work with a variety of clients - I very much enjoy that aspect of my work. I also enjoy being able to assist people in their hour of need and hopefully provide them with some peace of mind about their situation and a steady hand to guide them through what can be a very tumultuous time."

"I particularly enjoy coronial work. My passion lies in advocacy - being in the courtroom is what I enjoy the most."

Amy has a Bachelor of Laws (Hons) and a Bachelor of Art (Politics major) from the University of Adelaide, as well as a Graduate Diploma of Legal Practice.
