Erica is a solicitor in the Insurance and Health team in Barry.Nilsson.'s Perth office.

"The idea of being part of the growing Perth office of a national firm appeals to me. I have the opportunity to build my own profile, rather than filling someone else's shoes, build new relationships, and feel part of a team that is driven to succeed and make a name for itself."

With an interest in financial lines claims and liability or contract claims, Erica works with insureds, insurer's and brokers, managing claims made against them, while allowing them to carry on their day to day activities and minimise stress. By developing a detailed understanding of each clients' key concerns, Erica is able to carefully tailor her advice and approach to help clients manage their risks and achieve their commercial objectives.

Erica has a Bachelor of Laws, Bachelor of Arts and a Diploma Insurance Broking. She is a member of Young Insurance Professionals (YIPs) and the Australian Professional Indemnity Group (APIG), and is Senior Associate Certified Insurance Professional with ANZIIF.
