Ingrid is a solicitor in our Insurance & Health team and is based in the Brisbane office. Since her admission in 2014, Ingrid has predominantly practised in defendant insurance litigation.

"It is a privilege to work for a national firm with what has long been considered a leading insurance practice in Brisbane. Barry Nilsson attracts high calibre clients from domestic and international markets which provide diverse and complex claims for me to hone my technical skills and develop my practice."

With her clients including insurers, brokers and third party administrators, Ingrid specialises in the areas of:

- public liability
- personal injury
- property damage

Ingrid also has experience in dust diseases and asbestos litigation, motor vehicle damage, property recovery claims and commercial debt recovery litigation.

"It's great to have a varied portfolio of claims that require not only technical skill but creativity, adaptability and commercial acumen in order to achieve the best results for clients."

In addition to Ingrid's experience in other mid-tier national firms, she has worked as a claims handler and in-house solicitor for an insurance broker and a third party administrator dealing with personal injury and property claims. This has given her

first hand insight into the daily workings and needs of our clients.

Ingrid holds a Bachelor of Laws (Hons), Bachelor of Arts and a Graduate Diploma of Legal Practice. She is a member of the Queensland Law Society, Young Insurance Professionals (YIPs) and Queensland Young Lawyers.
