Lachlan Doran is a solicitor in our Insurance and Health team based in our Melbourne office.

Lachlan broadly specialises in:

- Professional Indemnity
- Public and Product Liability
- Health Law

Having joined BN as a vacation clerk in November 2018, Lachlan continued through the firm's graduate program and was admitted to practice in February 2020.

Throughout this time, Lachlan has had considerable exposure to a broad range of practice areas, including matters regarding financial services, cladding, defamation, medical negligence and local government.

'A key strength of beginning and developing my legal career at BN has been the ability to work alongside and learn from highly experienced and specialised professionals in their respective fields.'

Lachlan has further taken an active interest in BN's pro bono and community giving program, Impact Project, and is an inaugural team member of BN's charitable partnership with the Junior Indigenous Marine and Environmental Cadets Program (JIME).

Prior to joining BN, Lachlan gained experience in a generalist law firm before joining a first-tier professional indemnity law firm.

Lachlan graduated from the University of Melbourne with a Juris Doctor and Bachelor of Arts (majoring in Criminology and Media and Communications) and holds a graduate diploma in legal practice from the College of Law.
