Mariella Kapetina is an associate in our Insurance & Health team and is based in the Sydney office. Since her admission in 2013, Mariella's practice has revolved around defendant insurance litigation.

Her core area of expertise is professional indemnity, including:

- Financial lines
- Directors' and officers' liability
- Medical malpractice
- Employment practice liability
- Construction.

She also handles some public and product liability matters.

'I enjoy building strong defence strategies and commercial solutions that allow our clients to achieve the best possible result.'

Mariella has a Juris Doctor and a Bachelor of Science (Biomedical Sciences). She is a member of the Australian Insurance Law Association (AILA), the Claims Discussion Group, Young Insurance Professionals and Women in Insurance.
