

Property Transactions & Advice

Our team of property law experts have experience in a wide range of property-related issues.

Our clients range from shopping centre owners, large developers, property trusts, managers and leasing agents through to start-up property developers and international investors.

We aim to provide you with a service that is sophisticated, pragmatic and tailored to your business needs. Our advice is efficient, practical, intuitive (we know your business) and undertaken with commercial imperatives at the forefront of our strategies.

Our general property advice covers:

- Ownership structures.
- Project developments.
- Titling issues.
- Advice on the management of property.
- Body corporate schemes.
- Acquisitions and disposals.
- Contracts and conditions.
- Conveyancing.
- Dispute resolution.
- Due diligence.
- Easements and covenants.
- Advice on financing arrangements.
- Guarantees and indemnities.
