

## Real Estate & Commercial Law

Barry Nilsson's Real Estate & Commercial team is highly regarded in the market for our strategic and holistic approach to transactions. For more than 30 years, we've worked alongside some of Queensland and Australia's major property owners and developers, shopping centre managers, domestic and regional airports, sporting associations and more. From new project developments to retail and commercial leasing, we know how to get the deal done quickly and accurately, and to help ensure our clients' commercial success.
